

National Annex: Denmark - DASTI

Partner

The Danish Agency for Science, Technology and Innovation (DASTI) is promoting public research and engaging scientific collaboration between public and private science. The Danish Council for Strategic Research (DCSR) is part of DASTI.

Notice

DASTI supports the Second Call for Proposals of ERA-CAPS “Expanding the European Research Area in Molecular Plant Sciences”, aiming to facilitate international collaboration and to stimulate synergy in the area of molecular plant science on the basis of excellent research.

Budget frame

The Danish Agency for Science, Technology and Innovation (DASTI) is pleased to announce that up to **€ 500,000** has been allocated for the ERA-CAPS call: “Expanding the European Research Area in Molecular Plant Sciences”.

All Danish components submitted to this call will be subject to standard DCSR funding criteria. The following “Guidelines - the Danish Council for Strategic Research’s rules for budgeting, grants etc. relating to transnational calls” is available electronically on the DASTI website at:
